Welcome

Hello dear friends,

Trust you all had a great Christmas and are enjoying the holiday season, spending lots of time with your families.

Holidays are a great time to catch up with relatives, have coffee with friends and sneak some time for yourself just doing whatever it is you love to do.

If you happen to have some free time and find yourself without a project we have a number of new ideas to inspire you. We have a range of very cute country friends cross stitch kits that come complete with pattern, threads, aida cloth and needle. Finished size 9cm x 10cm for only \$7.50

We also have a some new books by Nancy Halvorsen, "Be Attitudes" and "Love is". Both books have large quilts plus a number of smaller projects to do as well. We will be offering both quilts as blocks of the month this year. We also have Nancy's Love is panel and a number of coordinating fabrics.

New tools to help take the frustration out of quilting are always great to find and we have found some from 'The Sewing Revolution'. The first is called the Bind-Aid and it takes the guess work out of finishing off the binding. Trying to match ends and figure out how and where to sew to get a neat flat finish to your binding are no longer a problem with this handy little ruler. The second is the Double Mitre Ruler. This ruler/tool is excellent for making hexagonal quilts and bags.

Oh yeah! and we are moving—again! But not too far away, just down the street. Time to have a bigger work room, enough is enough. While we love the position of our shop the classroom area is just too small so we are on the move to 2 Coral St, into 'The Old Telegraph Station' just opposite the old ANZ bank. We are hoping this will do us for a while (but then never say never!!). The big move will happen on the Australia Day long weekend so at this stage we are hoping to open the public holiday Monday 28th January at 12:30pm. Classes will resume as normal Friday 1st of February.

We are excited about the move and having more room and especially enthusiastic about offering more classes and maybe an evening class if there is enough interest.

The Anchorage, just across the road, who have just won an award for their coffee, have even said they will do a special deal on tea

and coffee for our customers.

As we move again, we thank you all for your patronage, your friendship and your encouragement.

May God bless you and yours with His richest blessings.

Keep safe, and see you soon in the new shop.

Martine
